

EPA Retractable Belt Barrier

(Part No.: 1801.G.x)

The patented retractable belt barrier is designed for delimiting an EPA easily and safely.

Part No.: 1801.G.P.B Belt barrier post

with 3 belt connectors consisting of:

- Powder coated steel post, black
- Plastic coated steel base, yellow
- Post height: 960mm; base diameter: 350mm; weight: 12,5kg
(Each barrier post requires one of the retractable belt heads part no. 1801.G.K.x)

Part No.: 1801.G.P.Y Belt barrier post

with 3 belt connectors consisting of:

- Powder coated steel post, yellow
- Plastic coated steel base, black
- Leg height: 960mm; plate diameter: 350mm; weight: 12,5kg
(Each barrier post requires one of the retractable belt heads part no. 1801.G.K.x)

Part No.: 1801.G.W23 Black wall mounted retractable belt head, belt length 2,3 m

Part No.: 1801.G.W40 Black wall mounted retractable belt head, belt length 4 m

Black, powder coated steel head, for wall mounting; includes a wall receiving end, yellow polyester belt with double-sided black print "ESD PROTECTED AREA - ESD GESCHÜTZTER BEREICH"

Part No.: 1801.G.K.23 Belt head - belt length 2,3 m

Part No.: 1801.G.K.40 Belt head - belt length 4 m

Part No.: 1801.G.K.0 Dummy belt head

Replaceable belt head with tension control, yellow Polyester belt, 50mm width, with double-sided black print "ESD PROTECTED AREA - ESD GESCHÜTZTER BEREICH", includes a safety clip against unauthorized detaching ("*Panic*" Special model available on request)

Application examples:

1. Post - Post

Required parts:

2 x Belt barrier posts

(Part No.: 1801.G.P.B or 1801.G.P.Y)

1 x Belt head

(Part No.: 1801.G.K.23 or 1801.G.K.40)

1 x Dummy belt head

(Part No.: 1801.G.K.0)

Each additional belt barrier post requires an additional belt head.

2. Wall - Wall

Required parts:

1 x Wall mounted retractable belt

(Part No.: 1801.G.W23 or 1801.G.W40)

3. Post - Wall

Required parts:

1 x Belt barrier post

(Part No.: 1801.G.P.B or 1801.G.P.Y)

1 x Belt head

(Part No.: 1801.G.K.23 or 1801.G.K.40)

1 x Wall receiving end

(Part No.: 1801.G.WC)

Each additional belt barrier post requires an additional belt head.
