Women's / Men's Trekking Sandal

(Part No.: 2550.2002)

Size: 36 - 47

Static dissipative shoes made of natural leather with breathable lining.

- Replaceable natural rubber and cork inner sole
- Integral foot support
- Made of natural leather
- PCP free
- Static dissipative PUR sole
- Conductive rubber inner contact points
- Includes the ESD symbol
- Complies with EN 61340-5-1, EN 61340-4-3, and EN 344

Colour: dark blue

Electrical properties:

	Test standard	Typical values	Requirements
Resistance to metal plate (Environmental class 1 – dissipative)	EN 61340-4-3	$10^7 \Omega$	$1 \times 10^5 \leq R \leq 1 \times 10^8 \Omega$
Wearer overall resistance to metal plate R_G	EN 61340-5-1	$10^5 - 10^7 \Omega$	$5 \times 10^4 (1 \times 10^5 \text{ each shoe}) \leq R_G \leq 3,5 \times 10^7 \Omega$
Volume resistance R_V	EN 344	$10^7 \Omega$	$1 \times 10^5 \leq R_V \leq 1 \times 10^9 \Omega$

► 6 month limited warranty.
